

# M E S C

**Math Educators of Solano County**  
**Co-Sponsored by the California Math Council**

**Official Registration for Dinner with Al Mendle**  
**“Creativity and Mathematics ”**  
**Thursday, November 1, 2018**

**Description:** Creativity and Mathematics are NOT mutually exclusive along the K-12 continuum. They're Actually Inclusive!! Let mathematics and creativity combine as we engage in interactive mathematical experiences perfect for your classroom!

**Speaker Notes:** Some of you may remember Al Mendle as a long time Vacaville teacher and as the former director of the Northern CA Mathematics Project. He has taught mathematics at the elementary, middle school, high school, and university levels. Currently a lecturer and student teacher supervisor for the UC Davis multiple subject credential program, Al is a widely respected speaker, having presented at national and local events. This is a dinner you don't want to miss!

**TIME:** 4:30 – 7:30 pm
